*Special Volunteer Request – Can You Help? CPA's Welcome!*

## **Now Seeking Financial and Accounting Volunteer**

JOMM appreciates all our partners and volunteers. We especially appreciate all the skill sets that you bring to our mission.

From time to time, JOMM has need of people who can help beyond just the food part of our ministry.

Right now, JOMM has need of someone who could assist in the financial and accounting end of things. This involves using Quickbooks online, payroll processing, and assisting with inventory and financial reports. This can be done part time and takes several hours per week. A retired CPA, small business owner, or a person with HR/accounting experience, would be ideal.

Thanks for considering in joining our ministry.
